12. OFFICER EDUCATION SYSTEM (OES) CHANGES: Command and General Staff Officer's Course (CGSOC) Curriculum Revision-Non-Resident Course Begins June 2004.

Current Intermediate Level Education (ILE) for Army officers is designed to meet the requirements detailed by the Army Training and Leader Development Panel (ATLDP) with additional input from the CGSOC-sponsored Needs Analysis. The new program, delivered by the ILE teaching team, will provide the Army with adaptive field grade leaders prepared to serve effectively at all levels of command and throughout the entire spectrum of operational environments.

The fundamental building blocks of the course are based on FM 22-100's seven leadership competences (Interpersonal, Conceptual, Technical, Tactical, Influencing, Operating, Improving) and are integrated into force-oriented constructs (build/change/resource the force, train the force, deploy the force, project the force, fight the force, sustain the force, and lead the force).

ILE will be offered at Fort Sam Houston as a non-resident program taught by the 11th Battalion (CGSOC), 6th Brigade (PD), 95th Division (IT). This program is available to all eligible Active Duty, National Guard, and Reserve Officers.

Non-resident ILE consists of three sequential phases over a period of 13 months. Phase I is a two week class conducted at Fort Leavenworth, Kansas starting June 2004. Phase II starts in October 2004 and ends May 2005. The classes for Phase II will be offered at Fort Sam Houston and consist of one of four hour class of instruction one night per week, or two eight hour classes offered one full weekend per

month. Students may select the class option that best suits their personal requirements. Phase III is a two week class offered again at Fort Leavenworth, Kansas in June 2005. Students will graduate from ILE during Phase III.

Officers holding the rank of Captain (P), Major, or above are eligible to enroll in this class. Contact LTC Lowell Larson, USAR, 210-679-6393, lowell.larson@us.army.mil, if you would like to attend non-resident ILE. A correspondence version of this course will be available FY 06.
